Nikkiso Aerospace Division Receives Supplier of the Year Award from Spirit

Wichita, KS, USA, Aug. 28, 2014 – Nikkiso Aerospace Division received *2014 Spirit Supplier of the Year Award* from their Customer, Spirit AeroSystems, Inc.

The 11 suppliers who won the award were chosen from numbers of suppliers worldwide. Nikkiso Aerospace Division was top of the 11 suppliers honored for their distinguished performance. The selection was based on the performance criteria such as On Time Delivery, Quality and their customer-oriented approach to Spirit during the year 2013-2014 from both their Japan and Vietnam sites. The recognition was held on Aug. 28, 2014 in Wichita KS, with over 150 attendees. Spirit President & CEO, Mr. Larry Lawson handed the crystal trophy to Mr. Toshihiko Kai, President and & CEO of Nikkiso.

It was a proud moment for Nikkiso, and would like to thank the entire team involved. This honorable award is dependent on all team members for their outstanding efforts.

Both parties are ready to go forward to extend their matured relationship and win together for their future business.
